# Album Releases To Date

Andy's debut album "**Sad Love Songs**", released in December 2018, was recorded and produced by the highly acclaimed Rod Motbey from Tracking Dogs Studios (Australia) and mastered by Steve Corrao at 'Sage Audio Nashville, United States. This album contains 8 original singles.

Andy's EP "**Chasing the Sun**", released in July 2020, was recorded and produced by ARIA and multi-Golden Guitar winning producer and artist Shane Nicholson (Australia). This EP contains 5 original singles.

Andy's latest album "**Love, Lies & Dirty Dishes**", released in July 2022, was recorded and co-produced by Rod Motbey from Tracking Dog Studios (Australia). This album contains 14 original singles and one cover ("Hold On" by Wilson Phillips).

Speaking about his latest album, Love, Lies & Dirty Dishes, Andy said: *"I wanted to create an album where I could pour out my heart and soul and be truly proud. It's an honest and raw reflection of who I am, and I tried to forget about all the white noise and just focus on the music. I am so grateful to share my story and showcase a part of my journey with the world. You can hear the 90's rock influence coming through, there's even hints of blues and soul, but it's still country and a reflection of who I am as an artist."*
